## RoHS – REACH Compliance 2021

All of our product lines in the EMI / RFI Shielding Division and Mechanical Division are in full compliance with The Restriction of Hazardous Substances (RoHS) Directives and Amendments 2002/95/EC and Revision (EU) 2015/863 an Registration, Evaluation, Authorization, and Restriction of chemical substances (REACH) Revision 6/25/2020

<http://echa.europa.eu/web/guest/candidate-list-table>

Nolato Jabar LLC products do not contain any detectable levels of the banned substances, Mercury, Cadmium, Lead, Hexavalent Chromium, poly-brominated Diphenyl ethers (PBDEs) flame retardants, and poly-brominated biphenyls (PBBs), unless specifically required by the Manufacturing Specifications of the Part.

Regarding the extended “watch list” of substances. With the obvious exception of the intentional additives to enhance conductivity, we do not have any detectable levels of these specified substances.

Kind regards,

Nolato Jabar LLC

A handwritten signature in black ink, appearing to read "Berndt Johansson". The signature is fluid and cursive, written over the printed name.

Berndt Johansson, Managing Director
